4-Read the following text, then answer the questions: (7 M)

We had our first online class today. Our teacher, Mr. Ayman, used a webcam and microphone so we could learn and see him. I used my headphones so I could listen carefully. When it was my turn to speak, I clicked on the screen with my mouse and used my keyboard to type answers. Mr. Said gave us an assignment to write a short report. I worked on it for one hour. At the end of class, we had music time. The teacher played a song through his speakers. I really enjoyed the class and I think learning online is a great way to explore the digital world.
